

SAMI KHAN

Full Stack Developer

(+91) 8799183419 | sami99khan99sami99@gmail.com | [GitHub](#) | [LinkedIn](#) | [Portfolio](#)
Uttar Pradesh, India

PROFESSIONAL SUMMARY

Entry-level MERN Stack Developer with hands-on experience building responsive full-stack web applications using **React.js**, **Node.js**, **Express.js**, and **MongoDB**. Skilled in developing **REST APIs**, implementing authentication systems, and creating user-friendly interfaces. Passionate about backend development and problem-solving, with a strong eagerness to contribute to real-world projects and grow as a software developer.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), React.js, Tailwind CSS
Backend: Node.js, Express.js, REST APIs
Database: MongoDB, MySQL
Programming Languages: JavaScript, Python, Shell Scripting
Tools & Platforms: Git, GitHub, Docker, Linux, Vercel, Render, GitHub Actions, Postman
Productivity Tools: MS Excel, MS Word
Soft Skills: Communication, Team Collaboration, Problem Solving

PROJECTS

CodeLearn – AI-Powered Coding Learning Platform | [GitHub](#) | [Live Demo](#)

- **Tech Stack: React.js, Node.js, Express.js, MongoDB, Gemini API, JWT, YouTube Data V3 API**
- Developed a full-stack learning platform with secure JWT-based authentication and role-based access control.
- Integrated Gemini AI to provide coding assistance, explanations, and personalized learning recommendations.
- Implemented structured learning paths, quizzes, and certificate generation to enhance user engagement.
- Integrated YouTube Data API v3 to fetch and display educational video content within the platform.
- Designed responsive and user-friendly interfaces using React.js and modern UI principles.
- Built RESTful APIs, optimized database operations, and deployed the application using Render.

NextHire – Job Portal Website | [GitHub](#) | [Live Demo](#)

- **Tech Stack: React.js, Node.js, Express.js, MongoDB**
- Developed a MERN-based job portal enabling recruiters to post jobs and candidates to apply online.
- Implemented secure user authentication and authorization using JWT and protected routes.
- Designed and developed REST APIs for job posting, application management, and user profiles.
- Created responsive and intuitive user interfaces using React.js for a seamless user experience.
- Integrated MongoDB for efficient storage and retrieval of job listings and application data.
- Deployed the application on Render and optimized API performance and application reliability.

EXPERIENCE/INTERNSHIPS

CodeAlpha (Internship) | Frontend Developer Intern | 1 Month

- Developed responsive and user-friendly web interfaces using HTML, CSS, JavaScript, and React.js.
- Built single-page applications (SPAs) with reusable components and optimized user experience across devices.
- Collaborated on frontend projects and implemented responsive UI components following modern web standards.

EduSkill (Internship) | Python Full Stack Developer Intern | 3 Months

- Developed modern full-stack web applications using React.js for the frontend and Django for the backend.
- Worked with databases and backend APIs to develop and maintain full-stack application features.
- Built responsive user interfaces, integrated REST APIs, and implemented database-driven features.

EDUCATION

BCA (Bachelor of Computer Applications) | Invertis University, Bareilly, UP | **2023 – 2026 (Pursuing)**

Intermediate (Class XII) | Islamia Inter College, Shahjahanpur, UP | **68%** | **2023**

High School (Class X) | Islamia Inter College, Shahjahanpur, UP | **78%** | **2021**

CERTIFICATION

ADCA (Advanced Diploma in Computer Applications) | 2022 – 2023
